

NEW UNIVERSAL CURBSIDE COLLECTION SERVICE BEGINNING JULY 1, 2023

Dear City of Sebastian Resident,

Waste Management (WM) is pleased to be the environmental solutions provider for the City of Sebastian. Beginning **July 1**, the City of Sebastian will transition to universal curbside collection service. This collection service will be required for all City of Sebastian residences.

Each residence will receive **one-time per week collection service** for garbage, yard waste, and bulk waste.

PLEASE SEE REVERSE SIDE FOR
IMPORTANT INFORMATION REGARDING
NEW UNIVERSAL CURBSIDE COLLECTION.

Important Universal Curbside Collection Information:

Beginning **July 1, 2023**, the City of Sebastian will transition to universal curbside collection service. This collection service will be required for all City of Sebastian residences. Please review the information below to ensure a smooth transition.

WM OF INDIAN RIVER COUNTY
4310 77th Street
Vero Beach, FL 32967

If you are a **current subscription customer**, WM will replace your current garbage cart between **June 12 and June 30**. Customers **MUST** place their old garbage cart curbside on **ALL** regularly scheduled garbage collection days (empty or full) until the exchange of carts has been completed, as you may receive your new cart before your old cart is removed. You may begin using your new garbage cart immediately.

Residents who **do not currently receive curbside collection service** will also receive a new 96-gallon garbage cart between **June 12 and June 30**. The garbage cart will be delivered at the end of your driveway. You may begin using your garbage cart when universal service begins on **July 1**.

A brochure will be attached to your garbage cart at delivery with important collection service information, **including your new collection service day which will be effective beginning on July 1**. **All City of Sebastian residents will receive their first quarterly invoice in May for service rendered July 1 – September 30.**

WM will continue to invoice residents quarterly through September 2024. The City of Sebastian will assume responsibility for invoicing beginning October 1, 2024.

Thank you for being a valued WM customer.
